JR. TENNIS LESSONS with QuickStart!

Junior Tennis Lessons are designed for the beginner to intermediate-level junior tennis players ages 5-12 years. Participants can expect to learn basic stroke mechanics, coordination skills, keeping score, match-play, etc. This group teaches the FUNdamentals while keeping the kids entertained with fun and games. We use the USTA's popular QuickStart curriculum which scales down the court and uses pressure-less balls so kids can actually learn what it means to play tennis! Groups are structured by the ball type/court size, red ball, orange ball and green dot ball to coincide with the USTA Quickstart program. This better develops the players and during the groups they will be asked at time to be mentors to the younger players and get the opportunity to be challenged by the older players/ball type.

Sat Morning Informal Junior Practice

This fall we will continue Saturday informal practice starting at 10 am. We want to encourage all of our kids from Orange Ball and Up to come out and get some match play in. Cost is free to all students signed up for the 4wk-session tennis program & \$10 a month for everyone else. We will have someone on staff around to put kids on courts, assign matches and answer questions that might come up in a match. Therefore weekly sign up is required by Thursday evening and will be online. We will keep track of matches played using a program called Global Tennis Network. To get started and get an online account for Sat. sign up and ladder play email Jason at 10sprep@gmail.com.
