B. Single Family Residential Use. Each Owner shall use his Lot and the Residential Dwelling on his Lot, if any, for single-family residential purposes only. As used herein, the term "single family residential purposes" shall be deemed to specifically prohibit, but without limitation, the use of any Lot for a duplex apartment or any other apartment or for any multi-family use or for any business, professional or other commercial activity of any type. No Owner shall use the Common Areas or use or permit such Owner's Lot or Residential Dwelling to be used for any purpose that would (i) void any insurance in force with respect to the Subdivision; (ii) make it impossible to obtain any insurance; (iii) constitute a public or private nuisance, which determination may be made by the Declarant in its sole discretion; (iv) constitute a violation of the Restrictions or any applicable law or (v) unreasonably interfere with the use and occupancy of the Subdivision by other Owners.

C. Passenger Vehicles. No passenger vehicle or pick-up truck owned or used by the residents of a Lot or their guests shall be parked overnight on any street within the Property.

D. Other Vehicles. No mobile home trailer, recreational vehicles or boats shall be parked, kept or stored on the Property if visible from any neighboring Lot or from the Golf Course; provided that, a mobile home trailer, recreational vehicle or boat may be parked in the garage of a Lot if it is totally concealed and the Owner, lessee or occupant of the Lot otherwise remains in compliance with the provisions of Article II, Section 2.1, paragraph C above.

F. Maintenance of Common Areas. The Declarant shall utilize proceeds from the assessment of Annual Maintenance Charges to maintain all shrubs, trees, turf, plantings, water features, irrigation devices, entries, entry gates, development fences, pathways, sidewalks, streets, street signs, street lights, ornamental brick or paving, entries and landscaping in the Common Areas of the Subdivision. G. Nuisances. No rubbish or debris of any kind shall be placed or permitted to accumulate upon or adjacent to any Lot and no odors shall be permitted to arise there from, so as to render any such Lot or any portion thereof unsanitary, unsightly, offensive or detrimental to any other Lot or Common Area in the vicinity thereof or to its occupants. No nuisance shall be permitted to exist or operate upon any Lot.

H. Repair of Buildings. No Residential Dwelling or other building or structure upon any Lot shall be permitted to fall into disrepair, and each such Residential Dwelling, building, or structure shall at all times be kept in good condition and repair and adequately painted or otherwise finished by the Owner of the Lot at such Owner's sole cost and expense.

No animal or bird shall be allowed to make an unreasonable amount of noise, or to become a nuisance. No structure for the care, housing or confinement of any animal or bird shall be visible from a neighboring Lot or the Golf Course. Moreover, any bank or other lender providing financing to Declarant in connection with the development of the Subdivision or improvements thereon may erect signs in the subdivision in the Common Areas or on Lots owned by Declarant to identify such lender and the fact that it is supplying such financing.

SECTION 2.2 DECORATION, MAINTENANCE, ALTERATION AND REPAIRS

A. Alteration of Residential Dwellings. No Owner shall modify or alter the Residential Dwelling on such Owner's Lot without first having the Architectural Control Committee's written approval. An Owner shall have the right to repair his Residential Dwelling or perform routine maintenance provided that such action is performed with a minimum inconvenience to other Owners and does not constitute a nuisance. The Architectural Control Committee shall have authority to require any Owner to remove or eliminate any object situated on such Owner's Residential Dwelling or Lot that is visible from any Common Area, any other Lot or the Golf Course, if, in the Architectural Control Committee's sole judgment, such object detracts from the visual attractiveness of the Subdivision.

B. Maintenance of Residential Dwellings. Each Owner shall maintain the Residential Dwelling and other Improvements on his Lot in good order and repair at all times.

C. Landscaping Plan. Each Owner shall submit a Landscaping Plan for his Lot to the Architectural Control Committee for approval prior to Commencement of Construction. Upon planting of all grass, shrubs and trees set forth in the Landscaping Plan, Owner shall have a continuing obligation to maintain the plant materials in a reasonable and good condition befitting Subdivisions of like quality to Section 16E Sierra Point at Bentwood. If an Owner fails to maintain plant materials set forth in the Landscaping Plan in a reasonable manner, the Declarant shall have the right to enter upon the Lot to perform necessary landscape maintenance. Expenses incurred in performing said

maintenance shall be charged to the Owner of the Lot. If unpaid, a lien shall arise against the Lot and may be enforced as set forth in Section 5 herein.

The Landscaping Plan shall include an automatic sprinkler system if the Architectural Control Committee deems such system necessary to support and maintain the plant elements of the proposed Landscaping Plan.

The Landscaping Plan applicable to Lots 24-28 and 35-36 along Overhill Drive shall address the entire Exterior Area of the Lot.

D. Non Disturbance Areas. Portions of 29,30,31,32,33,34 within the Subdivision that are not specifically addressed in the applicable Landscaping Plan shall not be disturbed without the prior approval of the Architectural Control Committee. Sierra Point is a Subdivision with inherent, rugged and natural beauty. The intent of this provision is to preserve this beauty by leaving the non-landscaped portions of the Exterior Area of Lots in an undisturbed state to the fullest extent possible.

SECTION 2.3 TYPE OF CONSTRUCTION AND MATERIALS

A. Storage of Building Materials. Without the prior written consent of the Architectural Control Committee, no building materials of any kind or character shall be placed or stored upon any Lot more than thirty (30) days before the construction of a Residential Dwelling, structure or other Improvement is commenced. All materials permitted to be placed on a Lot shall be placed within the property lines of the Lot. After the Commencement of Construction of any Residential Dwelling, structure or Improvement of a Lot, the work thereon shall be performed diligently, to the end that the Residential Dwelling, structure or Improvement shall not remain in a partly finished condition any longer than reasonably necessary for completion thereof. Upon the completion of the construction, any unused materials shall be removed immediately from the Lot.

B. Temporary Structures. No structures of a temporary character, trailer (with or without wheels and whether or not attached to a foundation), mobile home (with or without wheels and whether or not attached to a foundation), modular or prefabricated home, tent, shack, barn or any other out-building structure or building, other than the permanent Residential Dwelling to be built thereon, shall be placed on any Lot, either temporarily or permanently and no residence, house, garage or other structure appurtenant thereto, shall be moved upon any Lot from another location. Notwithstanding the foregoing, Declarant reserves the exclusive right to erect, place and maintain, and to permit builders to erect, place and maintain, such facilities in and upon the Property as in its sole discretion may be necessary or convenient during the period of and in connection with the sale of Lots, construction and sale of Residential Dwellings and construction of other Improvements in the Subdivision.

C. Air Conditioners. No window, roof or wall type air conditioner that is visible from any street, any neighboring Lot or the Golf Course, shall be used, placed or maintained on or in any Residential Dwelling, garage or other building or Improvement.

E. Construction Materials. The Architectural Control Committee may espouse construction material requirements from time to time in its sole discretion.

F. Antenna. No external antenna shall be permitted on any Lot within the Subdivision if such antenna is visible from any other Lot, any street within the Subdivision, or the Golf Course. Notwithstanding the prohibition of external antenna, satellite dishes are allowable under the following conditions: (i) the satellite dish is located to the rear of the Residential Dwelling; (ii) the satellite dish is located so that the Owner of the satellite dish is the primary viewer thereof; (iii) the satellite dish is no greater in diameter than two (2) feet; and, (iv) the satellite dish is approved by the Architectural Control Committee.

G. Exterior Lighting. All exterior lighting must be approved by the Architectural Control Committee.

H. Mailboxes. If the U.S Postal Service allows, individual mailboxes are permitted at the Discretion of the Architectural Control Committee provided that the design of the mailbox is similar to the design of the Residential Dwelling on the Lot and the type and location of the mailbox is approved by the Architectural Control Committee. If individual mailboxes are not permitted, keyed cluster boxes will be located in the area of the entrances, in the Common Area or in alternative locations selected by Declarant. If cluster boxes are required by the U.S. Postal Service, Declarant may utilize proceeds from the Annual Maintenance Charge to purchase, construct and landscape the cluster box and surrounding area.

I. Dog House or Other Animal Confinement. Dog houses, dog runs or other structures intended for the confinement of animals or birds (herein collectively referred to as "dog houses"), must be compatible with the Residential Dwelling on the Lot and require the approval of the Architectural Control Committee.

J. Erosion Control. No activity which may create erosion or siltation problems shall be undertaken on any Lot without the prior written approval of the Architectural Control Committee of plans and specifications for the prevention and control of such erosion or siltation. The Architectural Control Committee may, as a condition to approval of such plans and specifications, require the use of certain means of preventing and controlling such erosion or siltation. Such means may include, but are not limited to, physical devices for controlling the run off and drainage of water and special precautions in grading and otherwise changing the natural landscape. Owners who fail to exercise proper erosion control shall be responsible for damage, costs, claims, liabilities, losses or expenses ("damage") caused to other Property within the Subdivision and/or damage caused to the Golf Course. Such damage may be repaired by the Declarant, its successors and assigns collected through special assessment against the responsible Owner's Lot as provided in Article V. Enforcement of erosion control may be pursued under the provisions of Article IX, Section 9.7 and 9.8.

SECTION 2.4

SIZE AND LOCATION OF RESIDENCES

A. Minimum Allowable Area of Interior Living Space. The minimum allowable area of interior living space in a Residential Dwelling within the Subdivision shall be 3,500 square feet for Lots 23,24,25,26,27,28,32,33,34,35,36 along Overhill Drive and 4,000 square feet for Lots 29,30, and 31.

If a Lot or Residential Dwelling does not drain properly or drains onto an adjacent Lot or Residential Dwelling, the Owner shall repair the drainage immediately. If, after notification, the Owner fails to repair the drainage problem, Declarant, its successor or assigns shall have the right to enter upon the Lot to correct any drainage problem. The Owner of the Lot shall pay the expense incurred in assuring proper drainage. Such expense shall be collectible and enforceable pursuant to Section 9.8 of Article IX.

C. Location of Residential Dwellings/Improvements - Setbacks. The location of a Residential Dwelling on a Lot within the Subdivision shall require Architectural Control Committee approval. No Residential Dwellings or Improvements shall be located within ten (10) feet of any side property line or within thirty (30) feet of the front property line or within twenty (20) feet of the rear property lines without a written variance from the Architectural Control Committee.

SECTION 2.5 WALLS , FENCES AND IMPROVEMENTS

A. Fence Height, Location and Materials. All fences and walls must be approved by the Architectural Control Committee as to location, height and building materials.

B. Maintenance of Fences. Ownership of any wall or fence erected on a Lot shall pass with title to such Lot and it shall be the Lot Owner's responsibility to maintain such wall or fence. In the event the Owner or occupant of any Lot fails to maintain said wall or fence and such failure continues after thirty (30) days written notice thereof from the Declarant, then Declarant, its successors or assigns, may, at its option, without liability to the Owner or occupant in trespass or otherwise, enter upon said Lot and cause the fence or wall to be repaired or maintained or do any other thing necessary to secure compliance with these Restrictions, and to place said wall or fence in a satisfactory condition, and may charge the Owner or occupant of such Lot for the cost of such work. The Owner or occupant, as the case may be, agrees by the purchase and occupancy of such Lot, to pay such charge immediately upon receipt of corresponding statement. If unpaid, a lien shall arise against the Lot and may be enforced as set forth in Article 4 herein.

C. Improvements Erected by Declarant. Declarant shall have the right, but not the obligation, to construct Improvements within or around the Subdivision that are deemed by the Declarant to enhance the appearance of the Subdivision. An Owner shall be responsible for any damage to Improvements erected by the Declarant that is caused by the Owner, his family members, his guests, agents or invitees. The Declarant shall have and hereby reserves an easement five (5) feet in width around the base of

any Improvement which may be constructed by Declarant for the purposes of inspecting, maintaining and/or repairing the Improvement to the extent deemed necessary or desirable by Declarant. The Entry for the Subdivision is situated on the Bentwood Country Club golf course and has been erected by the Declarant for the benefit of the Subdivision and owners therein. It is thus subject to this provision.

D. Sidewalk. When constructing a Residential Dwelling on a Lot the Owner must build a sidewalk adjacent to the street(s) if required by the City of San Angelo.

SECTION 2.6 RESERVATIONS AND EASEMENTS

A. Streets. Title to all streets, drives, boulevards, alleys and other roadways, and to all easements or common areas (collectively "streets") shown on the plat, is expressly reserved and retained by the Declarant, subject only to the grants and dedications expressly made on the Plat. (2) Flight of golf balls over, across and upon the Subdivision or Lots.

(3) Doing of every act necessary and incident to the playing of golf and other recreational activities on the Golf Course, including, but not limited to the creation of usual and common noise levels associated with such recreational activities.

E. Signage. An easement is hereby granted for the construction, repair, maintenance and replacement of directional and informational signage within the Subdivision along the roads, streets, and rights-of-way located therein, for the purpose of directing Golf Course Users to the Golf Course Property. Such signage shall be constructed of materials and of a type of signage utilized for similar purposes within the Subdivision.

F. Ingress-Egress Easement. A non-exclusive easement is hereby granted to Bentwood Country Club golf course users for ingress and egress over, across and through the street between the second green and third tee that enables access to the Subdivision.

G. Additional Easements. Declarant reserves the right to impose further restrictions and dedicate additional easements, including drainage easements, and roadway rights of way by instrument recorded in the office of the County Clerk of Tom Green County, Texas or by express provisions in conveyances, with respect to Lots that have been sold by Declarant.

H. Streets and Private Drives. The streets within the Subdivision are Common Areas reserved for the common use, benefit and enjoyment of the Owners, subject to such reasonable rules and regulations as may be promulgated by the Declarant. Each Owner shall observe and comply with all rules and regulations promulgated by the Declarant with respect to the streets and shall be deemed to acknowledge and agree that all such rules and regulations, if any, are for the mutual and common benefit of all Owners and necessary for their safety and protection. All streets within the Subdivision shall be repaired and maintained with the funds accumulated by and through Annual Maintenance Charges at the discretion of the Declarant and/or its successors and assigns.

The Private Drive located on the plat shall be repaired and maintained by the Owner of Lot upon which the Private Drive is located. The initial Owner of Lot 30 and Lot 32 shall have an option to elect an easement for use of the Private Drive situated on Lot 31, prior to Commencement of Construction on the Lot. If the Owners of Lots 30 and 32 elect to utilize the Private Drive easement provided herein, then such Owners and their respective successors and assigns shall share equally in any necessary maintenance and/or repairs to the applicable Private Drive. The maintenance and repairs of the Private Drives, including allocation of costs relating to such maintenance and repairs shall be subject to the prior approval of the Declarant.

I. Changes to Easements. Declarant reserves the right to make changes in and additions to all easements for the purpose of aiding in the most efficient and economic installation of utility easements.

J. Entry Maintenance. The Subdivision may, at the option of the Declarant, include private, gated entrances that restrict access to Owners within Section 16E Sierra Point at Bentwood and their guests. The Maintenance Fund will be used to pay the cost of maintaining such gated entrances. The private, gated entrances are located on the Bentwood Country Club golf course.

K. Duration and Enforceability. The easements and restrictions set forth in this Section 2.6 shall constitute covenants running with the land in perpetuity, burdening the Subdivision and Lots, and shall be binding upon Declarant, its successors and assigns, including, but not limited to, any property or lot owners and all persons or parties claiming through, by or under Declarant.

L. Persons Entitled to Enforce Restrictions. Declarant, Bentwood Country Club, L.L.C. or their designated successors, shall have the right to enforce the easements and restrictions contained in this Section 2.6 against any Lot within the Subdivision or the Owner thereof. The right of enforcement shall include the right to bring an action for damages as well as an action to enjoin any violation of any provisions of this easement.

M. Damage by Errant Golf Balls. Declarant, for itself and each and every subsequent Owner of Lots within the Subdivision, hereby acknowledges and agrees that the existence the Golf Course is beneficial and highly desirable; however, each such Owner acknowledges and agrees that portions of the Subdivision are located adjacent to the Golf Course and are subject to the risk of damage or injury due to errant golf balls. Declarant, for itself and each subsequent Owner of Lots within the Subdivision, their successors and assigns and guests, hereby assumes the risk of damage and injury and hereby releases Bentwood Country Club, L.L.C., its successors and assigns, from any and all liability for damages or injury caused by errant golf balls in, on, or around the Subdivision and agrees to indemnify and hold Bentwood Country Club, L.L.C., its successors and assigns, harmless from any and all claims, actions, costs or liability arising from any damage or injury caused, directly or indirectly, by golf balls flying, landing, hitting or resting in or around the Subdivision. The obligation to indemnify, defend, and hold harmless shall pass with title to each Lot within the Subdivision, and once any Owner of land within the Subdivision has conveyed title to his, her or its Lot within the Subdivision, the obligation ceases as to that owner for all subsequent occurrences and that obligation passes to the new Owner.

N. RESTRICTIONS ON GOLF COURSE USE BY PROPERTY OWNERS. NO OWNER OF PROPERTY OR A LOT WITHIN THE SUBDIVISION SHALL HAVE ANY RIGHTS IN OR TO THE GOLF COURSE OR OTHER AMENITIES LOCATED ON THE GOLF COURSE PROPERTY, OR ANY RECREATIONAL ACTIVITIES OCCURRING THEREON, INCLUDING, BUT NOT LIMITED TO, A VISUAL OR SITE EASEMENT OVER AND ACROSS ANY PORTION OF THE GOLF COURSE, RIGHTS OF MEMBERSHIP IN OR TO THE GOLF COURSE, OR RIGHT OF ACCESS TO OR ACROSS THE GOLF COURSE PROPERTY, UNLESS SUCH RIGHT OR RIGHTS HAVE BEEN GRANTED OR CONVEYED IN WRITING BY BENTWOOD COUNTRY CLUB, L.L.C. OR ITS SUCCESSORS AND ASSIGNS. BENTWOOD COUNTRY CLUB, L.L.C. SHALL HAVE NO OBLIGATION TO PROVIDE, OR TO CONTINUE THE OPERATION OF, ANY IMPROVEMENTS ON THE GOLF COURSE PROPERTY, INCLUDING, BUT NOT LIMITED TO, A GOLF CLUB. RIGHTS TO USE THE RECREATIONAL FACILITIES LOCATED ON THE GOLF COURSE PROPERTY SHALL BE ON SUCH TERMS AND CONDITIONS AS MAY BE PROMULGATED FROM TIME TO TIME BY BENTWOOD COUNTRY CLUB, L.L.C. O. Mineral Rights. It is expressly agreed and understood that the title conveyed by Declarant to any Lot or parcel of land in the Subdivision by contract, deed or other conveyance shall not in any event be held or construed to include the title to any oil, gas, coal, lignite, uranium, iron ore, or any other minerals, water (surface or underground), gas sewer, storm sewer, electric light, electric power, telegraph or telephone lines, poles or conduits or any utility or appurtenances thereto constructed by or under authority of Declarant or its agents or Utility Companies through, along or upon said easements or any part thereof to serve said Lot or parcel of land or any other portions of the Subdivision. Declarant hereby expressly reserves the right to maintain, repair, sell or lease such lines, utilities, drainage facilities and appurtenances to any public service corporation or other governmental agency or to any other party. ARTICLE III

ARCHITECTURAL CONTROL COMMITTEE

SECTION 3.1 ARCHITECTURAL CONTROL COMMITTEE

A. Approval of Building Plans. No Residential Dwelling, Landscaping Plan or Improvement shall be erected, placed, implemented or altered on any Lot without the written approval of the Architectural Control Committee. The Architectural Control Committee may require the submission of such plans, specifications and other documents as it deems appropriate, in such form and detail as it may elect at its entire discretion. The Architectural Control Committee shall have full and complete authority to approve or disapprove the construction of any Residential Dwelling or Improvement or the implementation of any Landscaping Plan on any Lot and is further authorized to grant special "Variance Permits" to Owners who may request said Variance.
